Nevada City Nugget

VOLUME II, NUMBER 46 THE GOLD CENTER NEVADA CITY, NEVADA COUNTY, CALIFORNIA. THE COUNTY SEAT PAPER OCTOBER 1, 1928

JERRY SEAWELL IS A CANDIDATE ASSEMBLY RACE

The campaign of Jerry L. Seawell of Roseville as an independent candidate for the assembly in the November election is making fast headway in Placer county where the campaign is getting well organized for a vigorous fight. Headquarters will be opened in a few days in Nevada county and a spirited campaign will be made to acquaint the voters with the real issues in the campaign.

Mr. Seawell who is highly popular in his home county has already qualified as an independent candidate by filing his nomination papers with County Clerk Arthur S. Fleming of Placer county together with petitions bearing 135 names of voters who did not participate in the August primary. It is also expected that he will receive the endorsement of the Democratic Central Committees of the two counties as the Democrats do not propose to be disfranchised by reason of the primary election when their choice of candidate was disqualifed from appearing on the ballot by reason of losing the Republican nomination.

A. E. Buck who had intended entering the assembly race as an independent magnanimously withdrew in favor of Mr. Seawell. This will leave only two candidates in the race, Mr. Seawell and the present incumbnt who was defeated by the popular vote in the primaries but captured the Republican nomination by a narrow margin by reason of the Truckee vote.

We are strong for Jerry as he is the best bet in the field for the mining interests.

MOUNTAIN LION STALKS CAMPTONVILLE IN DAY

The presence of a large California lion near Camptonville has created some excitement during the past two days. Tuesday evening and inght and Wednesday the animal could be heard crying in the vicinity of Oregon Creek. Wednesday afternoon Mrs. Claude Thompson, with her sister, Mis Helen Hanson and Mrs. Boyd Townsend, who lives in the Kendall house in the lower part of town, were greatly frightened by seeing the lion right near the house in a small grape vinevard.

The ladies gave the alarm and a number of men from the garage rushed out, but by that time the lion had disappeared, but was heard to cry afetr that so it probably remains near town. Lions frequent that part of the country, but this is the first time that one has ventured in town, as least in daylight.

About a week ago, Miss Laura Pendola, while going over one of their irrigating ditches came upon a band of four coyotes. The animals stood their ground and acted in an ugly disposition, nor did they run, as they usually accustom to, by her appearance. Unfortunately she did not have a gun or at least two of the animals would have brought bounty for their scalp as Miss Pendola is a good shot.

An ore shoot with speciment rock was picked up at the bottom of a 200 prospect shaft on the Fuchs ranch south of Grass Valley last week.

John Cook, cashier and director of the Delta bank of Rio Vista, spent the week-end here visiting Mr. and Mr. E. J. N. Ott.

Ambrose Madden, owner of the Kanaka group of mines at Alleghany, was in town Frdiay and Saturday on his way to spend some time at his properties.

L. W. Lobdell has been hauling the milling equipment for the Brush Creek mine from Virginia City.

Hague Thomas Hegarty Post, American Legion will hold its annual election of officers tomorrow night at Post headquarters in Grass Valley. James Oliver has been nominated for commander. The Legion will sponsor a Lyceum this winter, the first number coming November 20th.

Emergency Welding and Brazing at the Miners Foundry, Nevada City. All classes of work promptly attended to. 46chtf

MINING LOCATIONS ARE PLACED COUNTY RECORD

The following mining locations have been filed the past week with County Recorder Sam J. Clark.

Fruitvale Fraction No. 1 quartz in Alleghany Mining District by Philip J. Walton.

Middle Yuba Group placer in Alleghany Mining District by Philip J. Walton, C. H. Barkdull, Lena B. Walton and D. I. Climm.

Magnolia Placer in Rough and Ready Mining District, W½SW¼ NE¼, Sec. 19,T16N, R8E., by Olive Groves and James Hackett.

Verde Asbestos No. 2 in Washington Mining District by Charles J. Lyser.

Verde Asbestos No. 3 in Washington Mining District by Charles J. Lyser.

AMBROSE MADDEN OPENS UP THE KANAKA MINES

A Adams and Son have just returned from the Kanaka mine near Alleghany where they have been busy all summer getting the mine in shape for future operations. The owner Mr. Ambrose Madden is in San Francisco and has been for some time getting the financial end in shape, which he now has succeeded connecting with big capital. His mine shows good values and it will soon be one of the good producers of that district.

Development work consisting of a 450 foot tunnel, 35 feet of which has been done this season, over 2000 feet of water pipe was installed this season and a power house is to be erected using water for generating purposes. There are three claims in the group two lying on the west side of Kanaka Creek and one on the east side. The tunnel which follows the course of the ledge is now in promising ore and a five stamp mill is contemplated.

BOWLING TOURNAMENT BY ELKS TO SOON START

The local tournament season on the Elks bowling alleys will shortly be under way with a full list of pin spillers lined up to knock'em over. Robert E. Carr, who successfully handled the tournament last winter is again n the job. Caretaker Tobiassen has the alleys in fine trim and those who have tried them out last week pronounce them in apple pie order. All who wish to bowl should leave their names with either Mr. Carr or Mr. Tobiassen as soon as possible that the team drawings may be made.

TRINITY GUILD MEETS WITH MRS. RICHARDS

Trinity Guild held its first meeting of the fall season with its president, Mrs. iWilliam Richards, at her Broad street home Wednesday afternoon. A large number of members were present for the occasion which was given over to games and refreshments interspersed with social patter. Mrs. Thomas W. Riddle was the winner of the guessing contest. The meeting onWednesday will be held at the Guild Hall at the church.

Mr. and Mrs. J. W. Barrows formerly of this section where Mr. Barrows was for many years connected with the Narrow Gauge, celebrated their golden wedding anniversary in San Jose last month.

Mr. and Mrs. A. A. Hoffman and children visited here during the week. They visited with old time friends. Mrs. Hofffman was formerly Miss Edith Morgan.

Mrs. E. W. Schmidt and daughter Miss Mary, came up from San Francisco. Miss Mary is a student at Mills College and will spend the week end here.

Tom Botting, Jr., left Friday for Parker, Arizona, to take up work with the government at that place.

Mr. and Mrs. B. L. Syms had as guests over the wek-end, Mr. and Mrs. Guy Smith of Pardee Dam.

Mr. and Mrs. J. H. Maxwell have returned to Oakland after completing work on the well at the Five Mile House. They plan putting in many improvements on the place when the highway is completed, and transforming the site to an attractive point of interest to the public.

NEW STRIKE OF HIGH GRADE ORE TALKED ABOUT

Another strike of high grade ore has been uncovered the past week according to reports reaching The Nugget from Grass Valley but operators of the property have not confirmed or denied the report.

Strikes are becoming so frequent in this section of late that they are getting quite commonplace and fail to create more than a ripple. This strike with that of the recent Idaho Maryland seem to asure the permanency of the local district for many years to come.

CHARLES MILL PASSED YESTERDAY AFTERNOON

Charles Henry Mill, a native of England, passed away in Nevada City yesterday afternoon at 3 o'clock. Funera selrvices under the auspices of W. R. Jefford & Son will be held from the Jefford Chapel in Grass Valley Tuesday afternoon at 3.

Deceased was born June 6, 1852 and came to this country when but a boy, settling in New Jersey. He later came to Virginia City and became a blacksmith. He later moved to Grass Valley. Surviving are two sons, Charles of Grass Valley and Carlence J. of Lodi and a daughter Mrs. Ella Elfers of San Francisco. There are six grandchildren.

TRUST SAVING ACCOUNTS POPULAR SAYS CURNOW

Advertising brings business to banks just as it does to other business concerns, according to Mr. H. A. Curnow, manager of the local branch of the United Security Bank and Trust Company, who bases his belief on a report made to him by W. A. Seher of the head office force Mr. Seher is in town in connection with the local campaign of the bank for Trust Fund Savings accounts.

"Mr Seher reports" said Mr. Curnow, " that since the bank began to advertise this Trust Fund Account, which has been the subject of a series of widely printed advertisements during the past few weeks, hundreds of these accounts have been opened ,and many of them have been in sums as large as ten or twenty thousand dollars; but we'll gladly start one with a dollar deposit for any who wish.

"The trust Fund Account is a simple and well tested type of account, bearing the usual interest, controlled entirely by the depositor during his life, but passing at his death without any fuss or delay to any person he names as beneficiary. The beneficiary has no rights during the life of the depositor, who can close the account, or do anything else with it he wants to. The effect of the trust to do away with probate in small cash estates, and to greatly simplify it in larger ones.

"Many of the thrifty of California did not know about this until we told them by advertising. Since they found it out, we are opening these accounts in every office. We have a quota here, and are working to fill it, so that this office may do its share to help its patrons safeguard their dependents against the financial troubles that might otherwise harass them at a time when death would make such a condition doubly burdensome."

JOHN SANFORD PASSES

John H. Sanford who was formerly interested in mining here passed away at Lemars, Iowa on Friday according to ward received here by A. M. Holmes. Mr. Sanford was initiated in Nevada City Lodge of Elks in February, 1913 and had kept up his membership in the Oorder since that time.

The annual Grand Lodge, Free and Accepted Masons, will be held in San Francisco, next week, commencing on Tuesday. Worshipful Master Gilbert J. Davis of Nevada Lodge, Philip Oates, Worshipful Master of Madison Lodge of Grass Valley, Past Grand Master George L. Jones and W. J. Merrifield, Inspector for this District, will be in attendance at the

WATER FOR SAN JUAN RIDGE FOR COMING SEASON

But little remains to be done on the North Bloomfield ditch system between Bowman and the various storage reservoirs from North Columbia to French Corral for next season's supply of water for irrigation and domestic uses which will be welcome news to the residents of that section of the county who have been dependent on the wells and springs for a couple of years.

Five hundred inches of water is now flowing as far as the Gaston and Ancho mines for their use and next year it is expected to bring a supply down the Ridge in addition to this as the water for the mines is not available after beinb used. This has made possible the opening of these two mining properties this year and helping to make it possible for the San Juan people to make repairs to the flume and ditch so that it could be put into use again after being dry for two years.

There yet remains to be raised, approximately $3650 to pay off the labor and material bills incurred, reports Chairman Sam McCullough. The total cost of theimprovement is between $5000 and $6000 of which amount the Rescue-Eula and Yellow Tiger mining companies paid a nice portion and which in reality made it possible for the work to proceed this season. The Nevada County Development Association also made a large contribution. It is expected that the communities of Nevada City and Grass Valley will come generously forward when the opportunity comes to help clear the debt.

The detailed figures are as follows:

Labor bills paid	$1173.01
Materials and supplies	525.00
Owing on labor	3714.02
Owing on material	192.82
Total expense	$5604.85

The mining companies will take care of approximately $400 of the unpaid amount which will leave with the amount necessary to complete repairs below Graniteville, $3650 yet to be raised. The local labor also took out $1200 in water credit which is not included in the above figures.

There are four reservoirs in the system, the two French at San Juan, one at Columbia Hill and the Pine Grove above French Corral.

The water prospects for next season on the Ridge are very favorable

GRAND HIGH PRIEST ON OFFICIAL VISIT CHAPTERS

Plans are rapidly maturing for the coming visit of David J. Reese of Ventura, Grand High Priest of the Grand Chapter Royal Arch Masons of California, at Colfax next Saturday night. The five chapters of the Seventh District which include Nevada Chapter of Nevada City and Grass Valley Chapter will be hosts on this occasion.

All members from Nevada City wishing transportation to Colfax on that evening should get in touch with Jos. F. Stenger, and those from Grass Valley should inform Thos. M. or C. A. Harris as soon as possible so that arrangements can be made.

Dinner will be served at 7:30 followed by the reception which promises to be largely attended as Mr. Reese is well known in this section where he has visited on previous occasions. Mr. Reese will reach Nevada City on Friday and will spend Saturday visiting various scenic points and will take a trip underground in one of the large large mines.

E. J. N. Ott, Jr., wife and son left yesterday for Rio Vista after a two week's visit with his parents, Mr. and Mrs. E. J. N. Ott. Mr. Ott Jr., is district manager for the Great Western Power Company in the Rio Vista district. While here he managed to display his prowess as a huntsman by slaying two bucks.

Clarence Martz came down from the Oakvale mine Monday on a short business trip.

William Maguire of Lost Hill is home from a business trip to San Francisco.

NEW MILL IS INSTALLED AT BRUSH CREEK MINE

Milling facilities at the Brush Creek mine are being increased by 10 1450 pound stamps at the present time and will make possible the handling of a large tonnage of ore at this promising property. Ore prospects are very good as the drift on the lower level progresses and the company officials are very much encouraged by the showing.

The new equipment has been brought in from the former Mexican mill at Virginia City and has been trucked in by L. W. Lobdell of Nevada City.

PRIMROSE MINE IS BEING NOW BEING OPENED UP

Stockholders from the Seattle, Sierra Mining Corporation were in Nevada City this week on business pertaining to their mine. The mine is called The Primrose and is showing good prospects for a gold producer.

Ten men are employed at this time and work is progressing nicely. A new sawmill is being built to supply the mine with timber and for erecting any buildings they may want in the ftutre.

ALPHA STORE ROOF GOES UP VERY SPEEDY TIME

The steel trusses for the roof in the Alpha store have been hoisted to place the past few days and Contractor Robert Steger is busy putting the roof on. The hoisting process has been quite interesting to a large number of our citizens and shows how simple when it is done by experts.

W. G. Swicegood has been foreman of the crew of steel workers from the Herrick Iron Works of Oakland and atfer the steel was on the ground it took less than three days to connect the trusses, rivet them and hoist them to place high in the air. The hoisting was done with a gin pole set on a large truck, using the engine for power and the large trusses 80 feet long and weighing around three tons were easily hoisted into place in but a few minutes time.

The other members of the crew were W. F. Smith, assistant foreman, S. Mann, minchman; Carl Carlson, truck driver and Frank Mentges and Ray Simmons, connectors.

MASONIC RECEPTION IS PLANNED FOR REESE

The present plans of Grand High Priest David J. Reese to reach Nevada City on Friday next may make possible the holding of an informal reception in his honor that evening in the local Masonic Temple by the Masons of this city and Grass Valley he not having had the privilege of visiting this section when he was Grand Master of Masons. The preliminary arrangements are in charge of Past Grand Master George L. Jones and later announcement will be made. The meeting would be open to al Blue Lodge Masons.

Mr. and Mrs. Ed McWorthy of San Leandro have been here for a couple of days visiting Mr. and Mrs. A. Huson, Mrs. J. L. Dayn of Oakland was als a guest last week at the Huson home.

Ed Deschwanden, well known in Nevada City, is reported critically ill at Valley Springs and is not expected to recover.

J. H. Lee, of Sierra City was in Nevada City attending to business affairs. He has mining interests at Sierra Cty.

B. C. Austin and W. V. Wilson of San Francisco came up Saturday. Mr Austin visited his mother, Mrs. Ella Austin, while here. They were on their way to Alleghany to attend to some business matters.

Sam C. Bivens of North Bloomfield passed thru here Monday on his way to consult specialists in regard to an eye that is bothering him.

Orian Thompkins of Marysville is here for the benefit of his health. He spent Sunday visiting friends in North Columbia.

MOHAWK STARTS SINKING SHAFT PLANT FINISHED

The new surface plant at the Mohawk mine is practically completed with the finishing of the roof on the hoist house and shaft sinking operations were resumed Friday with Joe Marriott in charge.

A granite nigger head was encountered in the shaft and caused some delay. A Cornish pump has been installed in the shaft to handle a small flow of water estimated around a barrel an hour. The ground in the face is quite safe and requires breasting as the sinking progresses. The electric hoist is in operation and facilitates the handling of the muck and will make for fast sinking. The hoist has a drum capacity of 1000 feet.

The head fram with a ton ore bin has been completed and sets on substantial concrete piers. The muck from the shaft will be used to fill in around and bring the ground up to the level of the shaft coller. A mill site has been picked out to the north of the headframe and will later be improved when a sufficient tonnage of ore has been blocked out. A neat two room office has been fixed up, the blacksmith shop and change house built. The change house is to have a ho twater system The buildings are all covered with corrugated iron and the entire site has been cleared off and burned.

Early histories of this section give some interestng facts regarding the Mohawk property. Colonel Kdd sank a 285 foot shaft on one vein and is said to have taken out $1500 in high grade ore in one day. He operated a 10 stamp mill on the property for some years. The placer workings on Gold Run in the early days are said to have been very rich on this property.

Electric power has been brought in by the Pacific Gas and Electric Company and is used for power and lights.

The Yakima interests which are also opening up the Standart property at Crescent Mills in Plumas county have started a crew of men in charge of E. R. Abadie to put up a 10 stamp mill and start operations on a large tonnage of ore which has been blocked out. A tramway 600 to 700 feet long will connect the workings with the mill which is to be built at a 500 foot lower level. There is 2400 feet of ground already opened up in the tunnels and drifts and shows excellent values. Three veins have been exposed.

M. E. Olsen is superintendent in charge of operations.

T. E. Stephens, general manager of the German Bar Mines, and J. G. Walsh , prominent Auburn banker, were in town Saturday on their way to spend a few days at the German Bar property at Snow Point.

Mrs. Alfred Heether has returned from a three month's trip to Michigan, visiting many points of interest She attended the Heether family reunion at Belding where 109 members of the family were gathered.

Mrs. W. H. Martin is in San Francisco visitng her daughter, rs. Burr West, for a short time.

Mr. and Mrs. W. E. Wright motored to Auburn and met their daughter, Miss Eugenie, who came up to spend the week end with her parents She is a student at Zedd's School in Oakland.

Mr. and Mrs. S. Lee Leiter spent a few days last week in San Francisco visiting relatives and friends.

Mrs. E. W. Schmidt and daughter, Mary, left Sunday for the city. Her laughter will re-entre college.

Mr. and Mrs. H. A. Curnow visited his parents, Mr. and Mrs. Phil Curnow at North Columbia.

Miss Sawyer has returned to Eugene, Oregon to resume her studies. Her parents Dr. and Mrs. W. P. Sawyer accompanied her part way.

Mr. and Mrs. Ray Rossen of Sacamento came up with Mrs. Mary Rossen, who has been in Oakland visiting her daughter. After a week end visit here Mr. and Mrs. Rossen returned home.

Travel across Galt bridge was resumed Tuesday. An oil truck broke some stringers, which were repaired and a coating of oil and screened rock make it in good shape.

SMARTVILLE HAS FINE QUOTA FOR RED CROSS

SMARTSVILLE, Sept. 29, (Special to The Nugget)—Mr. and Mrs. C. E. Colling were visiting friends in Grass Valley last Wednesday.

Mr. and Mrs. Henry Byrnes of Richmond were visitors to the Compton home for several days this week.

Mr. and Mrs. R. E. Colling and sons, also Mrs. J. W. Walker, all of Marysville visited relatives here one day this week.

Mr. and Mrs. Aden Wright and Mrs. Mary Wright of Waldo, visited at the home of Mr. and Mrs. William Newbert last Sunday.

Mrs. J. Warne was a business visitor to Marysville last Tuesday.

John Toland and daughter, Alice have returned to their home in Oakland, after a week's visit with Mr. and Mrs. John Bach and family.

Charles Compton and wife of Richmond were visiting at the home of Mr. and Mrs. Brady Compton, the former's father and mother, the past week.

Mrs. Clarence Johnson is here on a visit to relatives and friends.

Miss Katherine Linehan has returned from a visit with friends in San Francisco.

Mrs. Mary McGovern, daughter, Helen, and son, Jack, have returned from a visit with friends and relatives at San Francisco.

Mrs. W. Newbert was a business visitor in Grass Valley this week.

Miss Alice Tredennick of Nevada City has returned to her home after a three week's stay here, having completed her work as stenographer for the Interstate Land Holding Company.

Miss Retha Downey, secretary of the Interstate Land Holding Company, returned to her home yesterday, after an extended tour of many of the Eastern and Southern states having visited friends in Chicago and other cities, while enroute to Florida, where she visited with friends who formerly lived in California. Miss Downey reports a very delightful trip, also as having experienced quite a thrill from witnessing the fury of the hurricane which swept that country at the time of her visit.

J. Bach was a business visitor in Nevada City this week.

Clarence Compton, wife and baby visited relatives here this week.

Miss Katherine Linehan reports the following subscriptions as Smartsville's quota towards the relief of those who are sufferers in the hurricane area:

W. G. Allen, $3.50; M. H. McCarty, $2.50. W. P. Walsh,$5.00; Helen McGovern, .50; Jack McGovern .50; Thomas Smith, 1.00; Mrs. Mary McGovern, 1.00; Mrs. W. F. Johnson, 2.00; Mrs. W. C. Johnson, 1.00; Evelyn Miles, 2.50; James K. O'Brien, 10.00;O. E. Strand, 1.00; J. E. Bach, .50; J. E. Cramsie, 1.00. Mrs. A. Rigby, 1.00; Mrs. J. D. Byrne, .50; M. J. O'Connor, 1.00; Henry Magonigal, 1.00; Mrs. A. L. McMillan, 1.00; A. B. Sanford, 2.00; W. B. Jefery, 2.00; Helen M. O'Brien, 3.000; Mrs. Mary Cooney, .50; Agnes O'Brien, 3.00. Josophine O'Brien, 2.50; Sara Busby, 1.00; Mrs John Murphy, .50; William Newbert 2.00; Katherine Linehan, 2.00; Edythe Yore, 2.00; Mr. and Mrs. S M. Call, 2.00; Mrs. John Quinkert .50; Mrs. J. E. Lawver, 1.50; Mrs. E. Douglas, 1.00; Edward Clark 1.00. Alice Tredennick, 1.00; Mrs W. J. Beasley, 1.00; Mrs. Nellie Russell, .50; Mrs. S. Wilson, .50; Mrs. A. Finnen, .50; W. D. Magonigal, 1.00; Thomas Mooney, 2.50; C E. Colling, 1.00; John Resio, 1.00; Mrs. Mary Compton 1.00; Harrison T. Gould, 2.0, making a total of $75.00.

Miss Josophine Galt of San Jose in company with some friends passed through on the way down from Lake Tahoe n Thursday. She visited for a few hours before continuing her journey, with Miss Wilma Yost of this city.

CHRISTIAN SCIENCE LECTURE FRIDAY WELL ENJOYED

The following is an excerpt from the fine lecture given Friday night by Cyrus B. Rodgers, C. S., under the auspices of the Nevada City Christian Science Society at Odd Fellows Hall:

"The very thing for which Christian Science has been most criticised is the explanation that evil must be, has to be, an unreality, an illusion, or God does not exist; yet", declared Cyrus S. Rogers, C. S. of San Francisco, "this is the only hope of salvation". Mr. Rogers is a member of the Board of Lectureship of The Mother Church, The First Church of Christ, Scientist, and was speaking under the auspices of Nevada City Christian Science Society.

"What could be blinder", he asked, "than to say a perfect God created everything imperfectly—that the infinite God, who is all good, created something contrary and antagnostic to His own nature, and turned it loose on His creation, which he loves with a love far above that of a human parent for his child. There is not a particle of reason, intelligence or scientific thought in such belief." Either you must give up your belief in evil as a reality that can never be destroyed, or you must abandon your concept of the one perfect God. There is no escaping the inexorable logic of Christian Science on this fundamental point. It holds you right there and demands demonstration.

The speaker went on to say that all through history philosophers and devout students have sought to discover the origin of evil, but that no origin has been found, for the all-suffiient reason that evil has no origin. Evil must be seen and held as an illusion, a baseless dream, powerless and unreal or not even a scientific beginning can be made toward overcoming it, and freeing ourselves from its oppression. You do not ask questions about the source of an iluustion or unreality. You are fully occupied with proving its unreality, and as you do so it ceases to trouble you, or by any subtlety to deceive you into admitting and recognizing its claim to place and power; for you have already perceived in principle and have begun to demonstrate in experience that evil is not scientifically real, and has no place in Christianized consciousness or real being. This is not ignoring evil, but is facing it squarely for the first time; silencing its arguments, exposing and denouncing its pretenses, hadling its false claims, and reducing it to its own nothingness. To do this, requires spiritual alertness, industry perseverance—a constant spiritual activity, but it can be done and is being done, and will continue to be done in ever increasing measure in Christian Science. Christian Scientists have enlisted as in God's army, to war with sin, disease and death in all their forms, and to keep it up with increasing skill until good is proved to be all and evil naught.

Christian Science teaches that God's will for each of us is good and good only. God does not send sickness, and calamity and death upon mankind; God is Love, and His law is wholly beneficient—always working for us and not against us always working for us and not against us, always sustaining and protecting us, and supplying every need of our being, every moment of our existence. Evil and disease are powers within themselves, they have only the reality mankind in its ignorance and superstition has given to them. They have no intelligence with which to plan and work against us. There is no Principle to sustain them, no law by which they can invade our laws and oppress us. How can there be? God i admitted to be the only creator and governor of all things. The Bible distrinctly tells us that creation is like the creator, and reason tells us tthe same thing if we give it a chance. Christian Science inspires you to see that what God does not know and did not create is a lie in some form, and you immediatel resst and oppose its claim to presence and activity, and disbelieve that it can use you as its medium or mouthpiece, because you are really a reflection, an expression of God only.

The large audience was attentive throughout the entire lecture, which was presented in a clear and concise manner.

A. F. Thore of Tyler attended to business affairs here Tuesday.

Mrs. S. J. Prisk fell and broke a bone in her left wrist. Dr. Jones reduced the fracture. She is getting along nicely from last reports.

Mrs. Edwin Champion accompanied Mr. and Mrs. Jack Gilbert as far as Sacramento, where she will visit for some time. The Gilbert brought their son home from a Woodland hospital. He is improving in health.

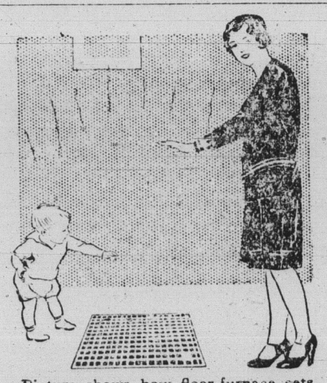
Good heating and fuel economy
come only with heating equipment carefully planned and installed



Picture shows how floor-furnace sets in floor. Heat is controlled by handy valve.

You know how homes differ in their size and the type of building materials used. There is 10% less heat loss through plaster and board walls as through brick walls. And there is 25% less heat loss through insulated walls. These are some of the facts our staff considers before recommending a heating system. For after all, a furnace must keep your home warm no matter how your home is built.

Only trained engineers can weigh such facts and fit the proper heating equipment to each home.

There is no obligation if you have one of our men look over your home. The facts he finds will be taken back for careful consideration by our staff. Then you'll know the recommendations they make will be good. As we will always be in business we can only afford to recommend good gas heating equipment to our customers. And that is one reason why all our recommendations are carefully made. Another reason is, this company knows by years of carefully kept records, that good heating and fuel economy come only with heating equipment carefully planned and installed.

A postcard or phone call will bring a heating expert to your home.

CAMPOTVILLE PERSONALS

The haymaking can now continue on the Ramm ranch for the setting hen is no longer holding up the job of bailing hay. However the affair ended in a sorrowful manner for a large bull snake ascended the hay press and drove the hen from the nest, destroying the setting of eggs. Miss Ramm has experienced difficulty this season in being successful in raising any baby chicks, between skunks, snakes and other varments, she has no small ones in the flock.

Camptonville is becoming a bachelors or widowers town. One by one the wives of some of the townspeople have left until those remaining are about to open a bachelor's retreat. The following are among those who are enjoying their own cooking and encountering dyspepsia due to their wives absence: Peter Peterson, Samuel F. Price, William B. Meek, Julius E. Pauly, Edward J. Price.

Dr. A. O. Eckhardt, formerly of Downieville, and now thinking of locating there, passed through town Monday enroute to the lower country after a business visit to the Sierra count seat.

William M. Yaeger of the Brush Creek mine was in town Monday on a brief business visit.

Forest Ranger Frank W. Meggers, left Monday for a few day's official business in the Aleghany section.

Fred Luce, who has been the guest of Mr. and Mrs. Eugene H. Hays left for his home at San Francisco Sunday.

An examination was recently given the pupils of the eighth grade of the Camptonville union grammar school, Charles Wilson. Jr., being the only one to successfully pass into the high school.

Mr. and Mrs. Roy Whittum left Sunday for their home at Martinez after speding a week visiting their nephew here.

B. F. McNaught and Mrs. Phyllis Reddell motored to Nevada City Monday.

John Kennady of Alameda, former resident here, was in town Monday coming up on a deer hunt. C. E. Kennady of Oroville acompanied him

Thomas Wayman of Pike City was in town Wednesday having work done on his car at the Lang Garage.

Arthur Deal left Tuesday for Bald Top Mine where he will be employed.

John Kennady and son of Alameda and C. E. Kennady of Oroville left Wednesday after a deer hunt at their old home on Mill Creek.

Samuel M. Price returned Wednesday from Sacramento.

George D. Copeland and Miss Edyth Arose of Hollywood arrived Monday on a visit to Mr. and Mrs. Leonard L. Bishop of Oak Valley.

Paul T. Wayman of Pike City was in town Tuesday.

This section of the forest has been alive with hunters since last Saturday night. They have come from far and near, most of them with fine equipment, dogs, and everything that goes with a "big game" hunter. Yet, very little venison has been brought in. While hunters were traveling miles and scouring canyons for sight of deer, the elusive animals were making their haunts as usual on the edges of town. As proof of this, Friday morning, Louis Marquardt, drived of the Mill Creek schol but, walked a short ways down the Pendola road after he had brought the children to town, and bagged a nice buck only a short ways from town. In other words, Louie is a hunter, for he does this every year.

W. H. Wayman of Pike City took several loads of wood to Alleghany last week.

Henry Casci left Friday for Nevada City where he will remain.

Fred J. Joubert motored to Nevada City Friday.

Mrs. Lew Rose was a visitor at Nevada City Thursday.

Miss Doris Nightengale, principal of the local grammar school, recently purchased a car for use to drive to school from her home at Pike.

Fred Luce arrived a few days ago from San Francisco on a short visit to Mr. and Mrs. Eugene H. Hays.

John C. Donnelly and party from Oakland arrived in town Friday enroute to the True Grit Mine.

Chas. C. Beck of San Francisco left Friday after spending two weeks visiting Mr. and Mrs. Fred J. Joubert and family at Oak Valley.

Raymond Halkyard came home Wednesday from Coupes Mill after working there for some time.

DON'T suffer headaches, or any of those pains that Bayer Aspirin can end in a hurry! Physicians prescribe it, and approve its free use, for it does not affect the heart. Every druggist has it, but don't fail to ask the druggist for *Bayer*. And don't take any but the box that says Bayer, with the word *genuine* printed in red:

Aspirin is the trade mark of Bayer Manufacture of Monoaceticacidester of Salicylicacid

KEEP YOUR PAPERS SAFE FROM FIRE AND PRYING EYES

In these days of business when nearly everyone at some time in their life accumulates some security, however small, it should be kept in a safe place. Not only away from someone who might appropriate it to their own use, but away from the curiosity of prying eyes and safe from interference on the part of people who would know your business.

The rental of a safe deposit box in our steel vaults is but tweny five cents a month, three dollars for an entire year. The question is not whether you can afford to have a safe deposit box—it is whether you can afford to be without one.

There are a few boxes, just a few, vacant. When these are gone it may be too late for you. Come in today and place your name on our list. Then your securities and valuables wil be absolutely safe.

In 5 MILLION HOMES TONIGHT

A host of babies will enjoy sound sleep tonight. And their parents will have unbroken rest. Castoria is the cause of this contentment in a multitude of homes.

Good old Castoria! Children cry for it. Mothers swear by it. Not a household where there is an infant should ever be without it. A few drops of Castoria quiet Baby in a perfectly innocent manner. It is natural slumber that follows. Castoria is a purely vegetable product. No opiates. No narcotics. Of any kind.

Now you know why trained nurses give Castoria as often as an infant is ailing, or even restless. And why doctors tell mothers it is the first and only home remedy when Baby has constipation, colic, diarrhea, or other upset. It is made for babies, and safe to give babies, and other things are not.

Fletcher's Castoria is "old-fashioned" if you count its fifty years, but it's an old-fashioned mother, nowadays, who worries along without it. Twenty-five million bottles bought last year! Think of the number of mothers who rely on Castoria! All these mothers can't be wrong! To keep a bottle in the house is a precaution you owe your little one.

Children Cry for Fletcher's CASTORIA

THE HIGH SCHOOL NEWS

EDITORIAL

The present Nevada City high school building was was completed in 1912 and it is now sixteen years old, or should we say young? From time to time numerous improvements and repairs have been made. In the interior different parts have been treated rather roughly, but now with a new finish on the outside, and a promise of redecoration of the plaster in the assembly hall, it may be a good idea to treat our property with more care. With the advantages of such a building, it seems that as members of the stunedt body we should protect our property and keep it so that in the next sixteen years it will be as well preserved as in 1928.

SENIOR CONTROL

The Seniors are endeavoring to set an example to other classes and encourage them to live up to the high standard that they are trying to set. A spirit of order and good feeling should extend throughout our school. Special attention is called to the "frosh" as they are not familiar with the unfritten laws of etiquette and behavior before and after classes.

There has been altogether too much disturbance at noon and between classes. The lower classmen do not seem to realize that our school is a place to obtain an education ,and not a place for "roughhousing". Such disturbances if witnessed by any "out-siders" would certainly leave a bad impression of us, and our school is judged bythe conduct of the students.

In larger schools such rough actions are not tolerated and simply do not exist. Why should we let the moral standards of our high school be lower than those of a larger school? Our high means just as much to us, and it should be conducted on the same basis as the larger schools.

It has been suggested that a Control Committee be appointed from the upper-classmen. This committee if appointed would demand behavior becoming to members of our student body, during noon hours and while passing to and from classes.

We are all in favor of the control system and we know that it will be heartily supported. Hereafter let each and everyone conduct himself in an orderly and respectful manner, to help the Senior Control System.

STUDENT BODY DUES

The senior class has been trying to hold a meeting so that it may elect the members of the Quill staff for 1929. A meeting has been impossible as yet, on account of the new amendment which was made to the student body constitution. The new amendment says that unless eighty per cent of the members of a class pay their student body dues their class may not function. If one more member of our class pays his dues immediately we shall have the required per cent, and a class meeting can be arranged in the near future. Everyone is urged to pay his dues as soon as possible as this is a very important subject and should be looked into by each and every student. Come on Seniors, LET'S GO!

ONE YEAR AGO

S-E-P-T-E-M-B-E-R

5.— Labor day, no school. Work started on tennis court. All boys present????

6—Miss Kyle moved study hall desks and cleaned house.

9.—Admission day. Another day's work on tennis court. Girls served luncheon at noon.

14—Election of Student Body Officers.

We should like to call attention to the great improvement made in the tennis court from September 9, '27 to September 9, '28. Where is the so called "SCHOOL SPIRIT" is the problem.

Aviators are now using powder puffs in their ears to drown the roar of the motors, but the flyer who uses his wife's will find plenty of roar when he gets home.

GIRLS' ASSOCIATION

Wednesday afternoon the Girls' Association held a meeting in order to discuss plans for the annual weinie system. Arrangements were made for a weinie roast to be held next Thursday evening, October 4, at Memorial Park in Grass Valley. The chairmen of the various committees are as follows:

stunt .....Alberta Baker
games .....Miriam Sawyer
refreshments .....Mary Jones

Representatives from each class were appointed to assist in the plans for the weinie roast.

With the help of our adviser, Miss Leschinsky, the Girls' Association is planning to introduce a new merit system. The girls want to have the opportunity to earn as many honors as the boys, and in this way earn letters representing the Girls' Association. If a girl belongs to an athletic club, the honor society, or if she is on any staff such as the Quill or the newspaper, or holds a class office she will receive a certain number of points toward a letter. The girls are very enthusiastic over this plan and it is though that it will be a great success.

News was received of the former adviser of the Girls' Association, Miss Ruth Peterson, who wished the girls all the success possible in our work this year. She also said she would like to be with the girls on their annual weinie roast.

It was moved and seconded that the freshmen girls draw up a new constitution. The old one was lost, and through the efforts of Mr. Kjorlie, the civics teahcer, a constitution is to be drawn up and presented to the Girls' Association.

Fine school spirit is being shown by the girls this year. There was a large attendance at the meeting and all the girls cooperated with the adviser and the president in evry possible way.

PAY YOUR DUES

There was an amendment made to our constitution to the effect that no class could call a meeting unless eighty per cent of its members had paid their student body dues.

This amendment was carried unanimously yet only a few have paid. Of course, those who voted were quite safe due to the fact that they had paid their dues before they could vote.

Since the majority of the student body were not school spirited enough to vote, they find that they cannot hold class meetings. Every body who has not paid knows what every body who has paid thinks of him for not paying and thus stopping the benefits which those who have paid expect to get. This may sound like a Greek puzzle, but we mean it.
LET'S ALL PAY!

SONG CONTEST STARTED

The girls of the N. C. H. S. now have a splendid opportunity to show their ability as song composers. A contest is being held among the girls for the best song that is composed to open and close the Girls' Association meetings. All the songs must be in by the next meeting, and there is a big prize offered for the best song. A song at the beginning and closing of a meeting always helps to keep the girls in better spirits, and the contest is certainly well worth entering. Watch in the next issue of The Nugget for the winner!

NEW ORCHESTRA FORMED

The Hi-4 orchestra made its initial appearance at the Freshmen Reception held at the Nevada City high school. This quartette of live musicians is organized to furnish music for dances and all social occasions. The members are: Milton Masters, sax; Vernon 'Monk' Sandow, banjo, Pierson 'T'uT' Tuttle, drums; and Miss Mary Jones, piano.

OYEZ — OYEZ — OYEZ

Our estemed principal was in a terible axident last wednesday it seems according to the latest reports that he was untying a bundle of books when his knife inadvertentadly slipped and inflicted a terrible gash in his index appendage.

We see beside us on the head man's desk an unpleasant reminder of what is to come next week, namely — REPORT CARDS. We heard that these '**$°—&' REPORT CARDS ARE DUE TO COME NEXT WEEK!!!!

BASKETBALL NOTES

The Block N. C. and the Circle N. C. societies held a joint meeting on Wednesday, September 26, for the purpose of getting organized. The election of officers was the first step taken in the meeting. The result of the election was as follows:

Elbridge Skeahan .....president
Holden Pierce .....vice president
Walter Huson .....
..... secretary-treasurer

It was decided to have joint meetings throughout this year. They also decided to see what they could do towards getting the hall in good shape for this season .

Some other business pertaining to jerseys and general training was brought up but the meeting adjourned without any definite action being taken.

HORN OPERATES TRAFFIC

A traffic signal operated by sound waves has been invented by Charles Adler, a well known signal engineer. Its chief usefulness is at an intersections when the main highway is crossed by a road carrying lesser traffic. A car coming along the side road will honk its horn when it gets close to a telephone transmitter affixed to a post. The sound waves are carried from the transmitter to the signal and then it operates the mechanism so that the lights change.

Normally the light is green on the main highway and red on the side road. The red light burns on the main highway and the green light on the side road for 10 seconds after the final honk of the horn.

FACULTY NOTES

Mr. Kjorlie is operating a taxi for the benefit of the girls.

The postmaster tells us that the mail from San Jose is considerably larger snce school started. Mr. Pedersen will gladly explain the reason why.

WANTED

Twenty sophomores to pay students body dues so that we can have a meeting.

JUNIOR NEWS

A junior gathering was called by Mr. Kjorlie on Thursday, September 20th to discuss from what firm the class rings would be purchased.

Recently, an outside firm showed the class its display of rings. Mr. Htarung, the local jeweler, also asked the juniors to consider his rings. He, also, offered a discount on all the rings purchased.

After considering all things the juniors decided to buy rings from Mr. Hartung. Several rings were chosen from the display shown.

Before a final choice can be made ten more juniors must pay their student body dues.

STUDENT BODY MEETS

The first regular meeting of the Student Body of Nevada City high school was held Friday morning. Only the fifty odd who had paid their dues were admitted to the hall. President Sheahan called the meeting to order and new business was taken up at once. It was moved and carried that the Student Body should have a party at least once a month during the school year. It was also moved and carried that admission should be charged to the parties. No definite action was taken on the admission price or the orchestra.

Mr. Pederson displayed his yell-leaders to the Student Body, but no definite selection was made.

FRESHMEN NEWS

The freshmen class is having a hard time making its members pay their student body dues.

The Freshmen Class is having a hard time making its members pay their Student Body dues.

The class wants to meet so it may decide when o hold its party, choose its class colors, and elect members to certain committees.

Mr. Kjorlie, teacher of freshmen civics, announced to the civics class that a straw ballot is being prepared for the student body, so that it may vote for the President of the United States. He said he would appoint a committee from the civics class to take charge of the election.

FRESHMAN CONTRIBUTES

Our class is getting along fine since the upper classmen have quit picking on us and we have gotten used to our teachers and we aint scared no more of them and we kin rite in the noospaper sometimes when the editor dont care and 'cac' is a good editer.

The above, you will agree is an article composed of intrinsic value combined with true worth. ED.

FOUND BY A SENIOR

Great dramatic talent was evinced by Byron Janes when he dropped on his "gouty knee" before the senior English class and knocked over the waste-paper basket, innocently supposing it was a milk pail.

Miss Taylor has offered to bring a couch, pillow and an alarm clock for two of her most wide awake students in economics, Myrel and Byron, so that they may have more comfort during this period. We wonder if they'll take advantage of this offer.

Kind-hearted Spencer wished to refresh the junior business training class, before their difficult examination, with salted peanuts, but Miss Taylor interfered.

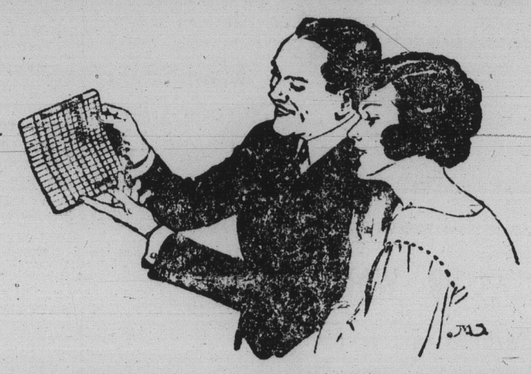
The senior girls, who are taking shorthand 1, can't seem to understand all the funny hooks, curves, dots, straight lines, and rules, much to Miss Taylor's dismay.

Wanted at once by Miss Hoffman: man:
One megaphone, whistle, or a loud speaker so that she may be heard during her long "prison duty" in the study hall at mornings and noon. We hope this request may be granted soon so she may save her voice for her English classes.

Mr. Isensee's by-word: SENIORS! (In other words) Don't forget your dignity!

Great intelligence was displayed the other day by the junior president when requested to send a money order. Milton wouldn't think of mailing the letter and bringing hte money order home to his mother. Oh no!

Bob Polglase is a modern Patrick Henry in English 111. The only difficulty he has, is in getting started, and then you should hear him go!



SIMPLE FACTS THAT MEAN SAFETY FOR SAVINGS

THINGS OF INTEREST FOR YOU TO KNOW

All things being equal, you prefer 6 per cent on your savings. We require that loans be secured by thoroughly protected first liens on improved real estate,and that they be paid by regular monthly installments. The aggregate appraisal value of this real estate, as determined by our ultra-conservative practice, exceeds two and one half times the loans.

Forest Mitchell of Sacramento visited relatives here over the week-end.

A party of hunters consisting of, Harold Eldredge, Sam Veale, Sam Wolford, Charles Dart, Ed Meyers and Robert Stewart spent last week deer hunting at Wolford's sawmill. They succeeded in bringng in two deer.

Mr .and Mrs. E. H. Hocking motored to San Francisco Wednesday and will spend several days there attending to business affairs.

Mr. and Mrs. Alfred Willoughby are home from a two week's vacation spent in Los Angeles.

Fred Harris of this city was one of the lucky hunters of the season as he killed a four point buck last Sunday.

Mr. and Mrs. Thomas Bone have had as guests. Mrs. Charles Henwood of Berkeley, Miss Letha Lloyd of Oakland, Mr. Cummings of Boston, Mass., and Earl Wayne of Oakland.

Mr. and Mrs. C. E. Norris have had as guests, Mrs. and Mrs. Joseph Martin of Crockett and Charles Martin of Livermore.

Mr. and Mrs. M. Henry Argall were business visitors in San Francisco last week.

Mr. and Mrs. Ray Pengelly have had as guests his sister and husband Mr. and Mrs. Robert Atkins of Los Angeles.

Mis Bernice Thomasson is in San Francisco for a two week's vacation.

Mrs. C. J. Miller had as a guest, Mrs. George Keller of San Francisco

Mr. and Mrs. C. E. Clinch have as a guest, Mrs.W. W. Clinch of San Francisco.

Miss Fay Norris of San Francisco spent last week-end here with her parents, Mr. and Mrs. C. E. Norris.

Miss Ellen Johnson is home from a business and pleasure trip to Oakland.

Mr. and Mrs. Royal Richardson have returned from attending the funeral of J. V. Davis at Oakland.

Fred Henwood of San Francisco spent a vacation here with relatives.

Mr. and Mrs. Charles Oliver have had as guests, Mrs. Joe Watters and son of Los Angeles.

Records of Forest City Odd Fellows Lodge have been transferred to the keeping of Grass Valley Lodge with which order it has affiliated. W. R. Jefford piloted a car up to secure the records.

Mrs. Mary Sweet of Wolf is teaching the Birchville school this term.

Misses Bernice and Reba Argall and Ida Hopp returned home Sunday evening from a vacation spent in San Francisco.

Will Andrews of Los Molinos was visiting with his mother, Mrs. C. C. Berryman, over the week-end. He is driving tractor for Harmon & Son of that place.

The Chicago Park Farm Center showed its own resourcefulness by carrying on a fair this year of their own in spite of the farm bureau cancelling its show. A varied display of agricultural products was made at the school house in that district yesterday and attracted a large attendance. C. F. Merkle was in charge of the affair which was pronounced

Anton Paladini, a native of Nevada City, passed away at the Government hospital at Livermore last week and was interred in San Francisco. He saw overseas service during the late war and suffered from gassing and shell shock.

Mr. and Mrs. H. Eden came over from Brockway Thursday evening and after spending the night here with his parents, Mr. and Mrs. J. H Eden. From here they went to Klamath Falls for a vacation.

Mr. and Mrs. Sam Magor and daughter, Thelma, of Oakland and Miss Irma McCormack of Roseville spent last week-end in this city.

J. E. Gooding, who retires after a strenous year, sees the Chamber ensconced in its fine new quarters where a genuine civic center can be maintained at all times. Mr. Gooding has made a large circle of friends since his advent in this county, as manager of the far flung interests of the telephone company.

The new president is one of Grass Valley's rising young business men, an ardent booster and an enthusiastic civic worker and the Chamber is sure to flourish under his guidance.

Sheriff Carter arrested Mason Meredith at North Bloomfield last week on a warrant charging grand larceny, in Utah.

ASHES OF AXIL OLSEN INTERRED AT WASHINGTON

Axil Olsen, who died in Oakland last February, was cremated and his relatives came up with the ashes this week and buried them in the family plot at Washington. He had spent most of his life in the Washington district.

Two sisters, Mrs. Wilarld Gray and Mrs. George Thomas and husband came up from Oakland with the urn. Another sister, Mrs. Peter Hill of Sugar Loaf, went with them to perform this last sad duty.

The party from Oakland remained for a short visit with the Hill family on Sugar Loaf before returning home.

LEGAL NOTICE

NOTICE

CONTROLLER'S DEPARTMENT
STATE OF CALIFORNIA.

To the Tax Collector of the County of Nevada, State of California:

WHEREAS, a deed or deeds conveying to the people of the State of California the title to the property hereinafter described having heretofore been filed in the Controller's office of the State of California;

AND WHEREAS, said deed or deeds recite the fact that said property hereinafter described was sold to the people of the State of California for the non-payment of State and county taxes;

AND WHEREAS. five years have elapsed since the date of said sale and no redemption, according to law, has been made of said property, or any part thereof;

NOW. THEREFORE, in pursuance of the law in such case made and provided, I, RAY L. RILEY, Controller of the State of California by virtue of the authority in me vested by the laws of this State, do by these presents authorize, empower, and direct you, the said Tax Collector, to sell at public auction, in separate lots or parcels, the property hereinafter described.

The property above referred to and hereby authorized to be sold. is situate, lying and being in the County of Nevada, State of California, bounded and particularly described as follows, to wit:

Property sold to the State June 29th, 1920 for the delinquent taxes of 1919:—

In Nevada City, Lot 6, Block 63. Deed No. 1.

No bid shall be received or accepted at such sale for less than the amount of all taxes levied upon such property, and all costs and penalties for every year delinquent as shown by the delinquent rolls for said years and also all tax liens up to the date of the execution of the deed to the State, together with interest at seven per cent per annum and also the graduate redemption penalties required under Section 3817 of Political Code computed upon the aggregate amount of the taxes for each of said years from the first day of July following delinquency to the date of the sale hereunder, and all expenses accrued to the date of the sale under this authorization.

Said sale shall be conducted in all respects as provided for by law governing such sales.

Given under my hand and seal of office, at Sacramento, this 7th day of September, A. D., 1928.

RAY L. RILEY,
(SEAL) Controller.
By C. E. Cooper, Deputy.

Sale of Real Estate by Authorization of Controller.

Under Section 3897 of the Political Code.

Date of Sale—October 25th, 1928.

ORDER TO SHOW CAUSE
No. 5655.

In the Superior Court of the State of California in and for the County of Nevada.

In the Matter of the Change of Name of NANCY ELIZABETH DOWNING to NANCY ELIZABETH NILON.

Nancy Elizabeth Downing and Dorothy Starr Nilon, her mother, having on the 3rd day of August, 1928, filed with the clerk of this court their application praying that the name of said Nancy Elizabeth Downing be changed to Nancy Elizabeth Nilon, and setting forth in said application the reasons for said proposed change in name as well as the other matters required by law to be therein stated.

It is therefore ordered and directed that all persons interested in said matter appear before this court, at the courtroom thereof, at the courthouse, in Nevada City, California, on Friday, the 19th day of October, 1928, at ten o'clock a. m. of said day, then and there to show cause, if any they have, why said application for change of name should not be granted.

Dated September 7, 1928.

RAGLAN TUTTLE,
Judge of the Superior Court.

MISS DOROTHY HAYES FETED ON BIRTHDAY

Miss Dorothy Olive Hays celebrated her seventh bithday Sunday at the home of her grandparents, Mr. and Mrs. M. G. Calvin in Camptonville in an elaborate manner. A number of young folks, friends and schoolmates were present and the afternoon was spent in amusements which bring joy to youthful hearts. Refreshments were served during the course of the afternoon which were greatly enjoyed by all.

The following were present: Misses Hazel Smart, Rose Marie Smart, Jessie Smart, Dolores Bishop, June Ruff, Loraine Ruff, Bernice Edlefson, Dorothy Hays, Billy Anderson, George Rose, Teddy Edlefson, Guy Baldwin Calvin Hays, Laverne Smart

In the evening a birthday dinner was served by Mrs. Calvin, in honor of the young hostess, attended by a number of relatives and friends, the event being a very pleasing one. A very delightful dinner was served and greatly enjoyed by those in attendance, including: Mr. and Mrs. Leonard L. Bishop, Mrs. John G. Ramm, Mr. and rs. Eugene H. Hays, Calvin Hays, Dorothy Olive Hays, Dolores Anne Bishop, Mr. and Mrs. Baldwin, Guy Baldwin, Mr. and Mrsfl Larry Edlefson, Bernice and Teddy Edlefson, Mr. and Mrs. M. G. Calvin.

WOMANS' CIVIC CLUB HAS' JUVENILE PARTY

The Womans' Civic Improvement Club had an enjoyable social gathering at the Charles W. Leiter home Monday evening with a good attendance. It was juvenile night and the members were dressed accordingly. Mrs. Antha Locklin conducted a village school and in the spelling contest Mrs. R. E. Harris won first honors. Refreshments were served.

POCAHONTAS GIVE NICE DANCING PARTY

The members of the Degree of Pocahontas gave a nice dancing party at Red Men Hall Wednesday evening and a large number of people attended as invited guests of the ladies. Excellent music was furnished on the occordeon with Tom Coan furnishing an accompaniment on the guitar. It is the expectation of the members of Pocahontas to conduct the dances regularly thru the winter, the first being given Saturday night.

Mr. and Mrs. Frank Wood of Sweetland visited our city Saturday.

DICKERMANS DRUG STORE

A Sour Stomach

In the same time it takes a dose of soda to bring a little temporary relief of gas and sour stomach, Phillips Milk of Magnesia has acidity completely checked and the digestive organs all tranquilized. Once you have tried this form of relief you will cease to worry about your diet and experience a new freedom in eating.

This pleasant preparation is just as good for children, too. Use it whenever coated tongue or fetid breath signals need of a sweetener. Physicians will tell you that every spoonful of Phillips Milk of Magnesia neatralizes many times its volume in acid. Get the genuine, the name Phillips is important. Imitations do not act the same!

PHILLIPS Milk of Magnesia

FRENCH CORRAL ITEMS

FRENCH CORRAL, Sept. 29, (Special to The Nugget)— Well we seem to be having a foretaste of winter. Wednesday night was decidedly cold and at 5 o'clock yesterday a. m. the temperature was registered 36° . Cloudy weather prevails but as yet we have no rain, but just on every light shower. While rain would do lots of good, it would do lots of harm just now as grapes are not yet picked and fig drying is still on.

A great deal of travel makes our roads quite dusty.

Mrs. W. E. Moulton and Mrs. E. Schwartz and son, Teddy, made a trip to North Bloomfield Friday afternoon. On their return trip Miss Louise Moulton accompanied them to spend the week-end with her parents.

Ralph Thomas of Hammonton is visiting his parents, Mr. and Mrs. H. Thomas of Birchville.

Clyde Browning, who is attending high school in Nevada City spent the week-end with his parents, Mr. and Mrs. A. Browning of this place.

Miss M. White, school nurse of Nevada City, and her friends, Miss Pearl and Dorris Rock, of San Francisco, and Mrs. Annie Scheemer of Nevada City visited friends in French Corral Saturday.

Rev. Fr. O'Rielly held services in the Catholic church at Birchville Sunday. Gerald Hogan of Nevada City accompanied him.

Mrs. Wm. Provis, Mr. and Mrs. G. L. Murphey, Mrs. J. Rielly and daughter, Jean, Mr. and Mrs. J. Kelleher and son, Jimmy, Mr. M. Keleher, attended services at the church in Birchville Sunday and afterwards visited relatvies in French Corral.

Mrs. K. Sullivan, Miss N. Sullivan and A. Moyin attended services at the church in Birchville Sunday.

Dr. A. J. Powell of Oakland returned to French Corral Sunday where he spends much of his time on accoun tof enjoying better health here. He was accompanied by his wife and son, Lawrence. The latter returned to Oakland that evening.

Mr. and Mrs. F. S. Wood and son, Carl, of Sweetland and his mother visited in French Corral Sunday.

J. Swazey who has been with the crew doing repair work on the flumes and ditches for the S. J. R. W. A. was a visitor in French Corral Monday evening. He was accompanied by H. Musfield and "Jiggs" Fogarty.

Mrs. K. Sullivan, and Miss Nelly Sullivan in company with Mrs. Wm. Provis and Mrs. J. Keleher visited in Nevada City Tuesday.

Mr. A. Browning was hauling hay from Marysville Wednesday and Thursday.

Warren Thomas of Birchville has been hauling wood for the school in French Corral.

Mr. and Mrs. A. Labour of Sacramento are visiting Mrs. A. Burren of this place.

We hear there are prospects of a new family coming to French Corral which will mean an increase of two pupils for our school. We like to hear such rumors.

ALLEGHANY PERSONALS

ALLEGHANY, Sept. 29.(Special to The Nugget)—Among the week-end visitors we note Mr. and Mrs. Rolph and daughter, Mary Alice, visiting relatives in Grass Valley.

Ed Davey is visiting his family in Nevada City.

Mrs. Gary Faegans and son and daughter, Raymond and Dorothy, and a friend drove up from Nevada City for a visit with Mr. Faegans in Alleghany.

Mr. and Mrs. James Moore drove to Grass Valley to visit friends.

Mrs. James Wood and daughter, Velma Renfro, visited Mr. Woods in Alleghany. Mrs. Woods has moved to Sacramento where her children are attending school.

Mr. and Mrs. Leonard Bradbury and daughter, Margarte, from Hammonton spent Sunday with his mother, Mrs. Hart Bradbury and brother, James, in Alleghany.

The Alpha trucks are hauling concentrates from the 16 to 1 for shipping to Selbys.

The county librarian of Plumas county, Miss Wood, made an official visit to Alleghany and Forest City. We feel we are very fortunate to have a branch library in Alleghany It has been here for over two years and at present Mrs. Grace has charge. As the position doesn't carry and remuneration we are indeed to be congratulated to have a capable person in charge.

Mr. Leiter spent three days in our town with a varied display of dry goods.

Mr. Ferguson of the U. S. Geological Survey, is spending several weeks in our town while checking up notes preparatory to publishing a geographic folio on the Alleghany mining district.

Those from the Nevada City Branch of the United Security Bank and Trust Company attending the bank meeting in Sacramento Wednesday evening were Chairman George L. Jones, Manager Horace A. Curnow, Assistant Cashier John J. Fortier, Misses Margaret Peard and Genevieve Payne, Mrs. W. H. Davey, Mr. Arnold Arnold Murchie and Mr. Jack Fox.

"The Best for Less"

Phone 176 Powell Block Nevada City

Do you still go to the pump for water?

—nor should you be without an *extension telephone* in your home.

The speed of modern business demands a sufficient number of telephones conveniently located to save steps and time.

In the world's most universal business—home making—extension telephones are now regarded among such modern conveniences as running water and electric lights.

Simply call our Business Office today!—and say, "I want an extension telephone."

BEHIND THE SCENES

You will be interested to see the quiet efficiency of a modern telephone exchange. We invite you, individually or in groups. Our Business Office will gladly arrange to show you through.
